PROJECTS

Online School Initiative Program (OSIP) - Education <ul style="list-style-type: none"> The objective of program how students learn through technology make students understand of concept of Balgeet, Assembly, skill sheets which helps students in building confident and explore new things. This program reached 112 school in Sanand block more than 3000+ students. 	Dec 2020 - Jan 2021
Education Pack - Education The Education Pack project started from 3 October 2020 by the Kaivalya Education Foundation, Ahmedabad. <ul style="list-style-type: none"> The aim of the project is Provide online study material to class 3rd to 5th students through What's App. The study material is Chapter wise video and related questions through google form. The study material is Maths and Gujarati subject. By this project the students are getting more benefits in virtual learning because of CORONA pandemic students are not going to school, so students are studying in home. 	Oct 2020 - Present
Learn With TLM - Education <ul style="list-style-type: none"> This project "Learn With TLM" initiated with the co-fellow in 10 schools of the Sanand. The objective of the project is to introduce activity based learning for quality education. This project involve 500+ students from class 3 & 4 and 16 teachers. Through this projects maximum students get a basic understanding of math's by TLM. 	Jan 2020 - Feb 2020
Reading Campaign - Education	Dec 2019 - Dec 2019

- The Reading Campaign project started in the month of December.
- I had organized The Reading Campaign in 5 school in class 3rd and 4th.
- The Reading Campaigns aim is to improve the reading ability of the students.
- I did an assessment with the students in letter, word and sentence level and we made a strategy with HM and Teachers the students by story telling and reading
- After 30 days 35% above students came to sentence level of the reading.

Child Safety - Community awareness

Nov 2019 - Dec 2019

- Conduct a awareness campaign to all my 5 schools with HM, teachers, students and also community people. Nearly reach out 1500 stakeholders with effective participants and planning.
- In the project, we show the short film and pasted template's on the school campus and take a pledge about child safety.

Outcome: Participants aware on good touch and bad touch.

Tree Plantation Drive (Ek Firan School Agan Mein) - Environment

Jul 2019 - Aug 2019

- The Tree Plantation drive project started in the month of July with Collaboration of Kaivalya Education Foundation and Gujarat government in Sanand, Ahmedabad.
- The aim of the project is to engage the students, HM, teacher and community member in plantation and aware about Environment. and gave message how the trees playing the vital role to save the earth.
- I had initiated the Tree Plantation drive projects in the own 5 and 20 co-fellow government school.
