INTERNSHIPS

Hyundai Motor, 6 Months

As a Digital Manager, utilizing the Global Digital Management System (GDMS) 2.0 at AKC Hyundai, my role revolves around harnessing this powerful tool to streamline and optimize various digital processes and workflows across the organization. GDMS 2.0 serves as a centralized platform for managing digital assets, facilitating communication, and enhancing collaboration among team members.

Bajaj Motors, 6 Months

As a CRM, managing customer interactions effectively from lead generation to post-sales support, maintaining a holistic view of customer relationships and improving customer satisfaction.
