EDUCATION

Master of Computer Applications (MCA)

Kanpur, Uttar Pradesh | 2022

PRANVEER SINGH INSTITUTE OF TECHNOLOGY

Post Graduate Diploma in Computer Application (PGDCA)

Kanpur, Uttar Pradesh | 2021

CHHATRAPATI SHAHU JI MAHARAJ UNIVERSITY

WORK EXPERIENCE

CEDCOSS TECHNOLOGIES PRIVATE LIMITED

BACKEND PHP DEVELOPER

Lucknow, Uttar Pradesh

January 2022 – Present

- Optimized system performance and API latency by implementing the **standardized coding practice**, effectively **managing server load**, and **enhanced query performance**, resulting in a 15% reduced response time.
- Led troubleshooting efforts for external API integrations, such as Amazon's SP-API, ensuring smooth and efficient functionality.
- Developed and integrated external APIs** for seamless integration with e-commerce platform's services, such as **Amazon's SP-API**. Ensured valid parameters and bodies, **handled API throttling rate**, and **optimized processing time**, resulting in a 40% improvement in overall system efficiency.
- Demonstrated strong collaboration skills by working closely with cross-functional teams in the development and implementation of new features, fostering an environment of teamwork and shared success.
- Part of the team for **re-engineering project** to improve and consolidate end-to-end service processes reducing **processing time by 25%** for existing app functionalities.

PROJECTS

CEDCOMMERCE AMAZON CHANNEL

PHP, NODEJS., MONGODB, AWS SERVICES

Revamped Listing Process:

- Spearheaded the development of an entirely new listing process within the app, optimizing and modernizing the workflow for clients managing their products on both Shopify and Amazon Marketplace.
- Implemented method of comprehensive data requirements, pre-Submission validation, schema uniformity, effortless mapping to minimize listing errors resulting in a 30% reduction in the time it takes to create and manage listings.

SDK Migration and Integration Lead:

- Took charge of the complete SDK migration initiative, researching and implementing new external packages to upgrade and enhance the app's functionality.
- Successfully integrated external SDKs, ensuring smooth transitions and minimal disruptions in the application.

Marketplace Data Synchronization:

- Solely responsible for handling the synchronization process between Amazon and our app, ensuring accurate and real-time updates on product listings and inventory.
- Developed and maintained a robust syncing mechanism, contributing to the seamless integration of data between marketplaces.

SKILLS

Languages: PHP, Phalcon, Nodejs, **Amazon APIs**, **Shopify APIs**, Restful APIs, Python, Java, SQL, **Technology:** Git, AWS, MongoDB, Docker
