

CHANDAN KUMAR - SOFTWARE DEVELOPER

Contact Information

Phone: 7254804145 | Email: ck2867485@gmail.com | Location: Jharkhand, Dhanbad

Objective

I am an aspiring Flutter Developer, well-versed in Dart, Flutter, and Firebase. With 1.8 months of hands-on experience in Flutter, I have crafted multiple applications for Android and iOS. Eager to learn and adapt swiftly, I bring a proactive mindset, strong work ethic, and a passion for delivering high-quality mobile solutions. Ready to contribute and grow in the dynamic field of app development.

Skills

Frameworks: Flutter

Programming Languages: Dart, PHP

Databases: Firebase, MySQL

APIs: RESTful APIs

Version Control: Git

State Management: GetX, Provider

Notifications: Firebase Push Notification

Work Experience

Flutter Developer (Currently Working) - Raneso Global Pvt Ltd
