SUMMARY

A highly skilled developer with around 3 years of experience in web development, specializing in FullStack-based scalable applications. Proficient in various technologies and tools with a strong focus on delivering elegant user interfaces and optimizing performance

EDUCATION

Bachelor of Technology

Jun 2018 - Jul 2022

Jaypee University of Engineering and Technology | Guna

TECHNICAL SKILLS

Stacks: MEAN, MERN

Languages: HTML5, CSS3, JavaScript, Typescript, Nodejs

Framework: Angular, Rxjs, React, Bootstrap, Redux, Express

Developer Tools: Git, Visual Studio Code, Bitbucket, Debugger, Service Now,

Testing Frameworks: Jest, Cucumber, Automation Testing

Additional Skills: SQL, MongoDB, RESTful APIs, Responsive Design, Performance Optimization, Agile, CI/CD.

WORK EXPERIENCE

Associate

Feb 2022 - Present

Cognizant Technology Solutions | Noida, India

- **API Design and Implementation:** Crafted RESTful APIs for efficient communication between front-end and back-end components.
- **Front-End Development:** Developed responsive, user-friendly interfaces using React, achieving a 30% performance boost through optimized modular design.
- **Database Management:** Leveraged MongoDB for efficient data storage and retrieval, ensuring high performance and data integrity.
- **Unit Testing:** Created and executed comprehensive unit tests to validate the functionality and reliability of React components.
- **Performance Optimization:** Enhanced front-end code for maximum efficiency, resulting in faster load times and improved user interactions.
- **Responsive Design:** Designed responsive web pages using the latest front-end technologies for a seamless user experience.
- **Collaboration:** Worked closely with designers and back-end developers to develop & maintain user interfaces.
- **Code Quality:** Wrote clean, efficient and maintainable code using HTML, CSS, and JavaScript with React.
- **Troubleshooting and Debugging:** Identified and resolved performance issues, contributing to enhanced application reliability.

PROJECTS

E-Apply Application Web Application

May 2024 - Present

American Express | Gurgaon

Prudential Insurance Web Application

Aug 2023 - Apr 2024

Prudential Insurance Company of America | Noida
