Profile Summary

I am a proficient MERN stack developer with expertise in MongoDB, Express.js, React.js, Next.js and Node.js. With 3.4 years of experience in the field, I specialize in creating robust and scalable web applications. My focus lies in leveraging the MERN stack to develop feature-rich websites and e-commerce platforms that meet client objectives. I am committed to continuous learning and staying updated with industry trends to deliver innovative solutions that drive results.
