dubeysandeep0109@gmail.com

Profile Summary

Passionate and skilled Frontend Developer with over 2.4 years of hands-on experience in React.js and JavaScript development. Proficient in designing and implementing dynamic and responsive web applications, with a strong focus on delivering high-quality user experiences. Adept at collaborating with cross-functional teams to achieve project goals and ensure seamless integration of frontend and backend functionalities

EXPERIENCE

Digital Belly, Noida— React.js Developer

Sep 2024 - Till Now

As a React.js Developer, I worked on The **Hyundai Explorers** web application for the Hyundai client. The **Hyundai Explorers** website focuses on inspiring and empowering adventurers by offering a platform to share experiences and connect with like-minded individuals. It provides a range of content related to outdoor exploration, showcasing Hyundai's commitment to supporting exploration and adventure.

Fiables Solutions, Lucknow — Junior Software Developer

Sep 2022- Aug 2024

As a Junior Developer, I worked on a hospital management system, utilizing **React.js** for intuitive front-end development and integrating a secure **.NET-based backend**. I contributed to debugging, feature optimization, and enhancing performance, ensuring efficient healthcare data handling while improving the system's functionality and user experience for medical staff and administrators.
