Reached brown belt in Karate

PROFESSIONAL EXPERIENCE

Code Connectors

React Js Developer

Nov 2022 – Apr 2023

Collaborated remotely with Sure Consultancy, a branch of Code Connectors, based in Atlanta, USA, as a Freelance React.js Developer.

Softwave

MERN Developer

May 2023 – present | Surat, India

As a MERN Developer at Softwave, I had the privilege of contributing to the development of cutting-edge web applications. My role encompassed a range of responsibilities, including:

- Designing and developing responsive and user-friendly web interfaces using React.js, and Next.js, effectively enhancing the user experience and engagement.
- Implementing state management solutions, such as Redux, to centralize and manage the application's state effectively.
- Creating and managing databases using MongoDB, Building efficient and scalable backend systems using Node.js and Express.js, and leveraging RESTful APIs to handle data processing and user interactions.

PROJECTS

Shop.com

Deployed Link

A web application that provides a new kind of shopping comparison site that offers the most comprehensive shopping experience on the web.
