

# SATYAM GUPTA

Software Developer

📞 9140785089 @ satgup6902@gmail.com 📍 Kanpur

My Portfolio Website : <https://portfolio-website-5g7.pages.dev/>

## SUMMARY

As a seasoned back-end developer, I specialize in seamlessly integrating Shopify and Amazon platforms using the powerful Phalcon PHP framework. My standout achievement includes crafting an application that optimizes customer management and synchronizes warehouse operations across both platforms. I excel in leveraging REST APIs and possess deep expertise in the Amazon Marketplace and its APIs. With 1.7 years of hands-on experience, I bring strong skills in back-end development and e-commerce integration, ready to drive impactful solutions for your next project.
