EDUCATION

**IMS ENGINEERING COLLEGE,
GHAZIABAD.**

B.Tech (CSE) | 2020-2024
CGPA : 7.91

**CITY MONTESSORI SCHOOL,
LUCKNOW.**

Class XII | 2020
Percentage: 86.00
Class X | 2018
Percentage: 87.40

COURSEWORK

UNDERGRADUATE

- Computer Networks
- Operating Systems
- Data Structures and Algorithms
- DBMS
- Object Oriented Programming

SKILLS

PROGRAMMING

Java • HTML • CSS • Javascript

FRAMEWORK AND DATABASE

ReactJs • NodeJs • SQL •
MongoDB

TOOLS AND LIBRARIES

Git • Github • VSCode

EXPERIENCE

Coding Ninjas – Intern

Nov 2022 – Mar 2023 | Gurugram.

- Engaged as a Code debugger for JAVA, Data Structures and Algorithms from Arrays to Graph with a grade of 6/7 has been resolved and improved the way of approaching the problems based on DSA.
- Successfully delivered the clarity and deduce of Algorithms with practical illustration and application so that it makes easy to conceive about data structures, complete knowledge and usage of Java as a programming language.
- Solved more than 1k doubts, taught nearly about 700+ students with 4.7/5 rating and rewarded as gold position in it.
- **Certificate**

PROJECTS

Study Notion

- StudyNotion is a dynamic educational technology platform, designed to empower users in creating, accessing, and evaluating educational materials.
- Developed on the robust **MERN** stack - harnessing the power of **ReactJS**, **NodeJS**, **MongoDB**, and **ExpressJS**.
- Our platform leverages **Cloudinary**, a cutting-edge cloud-based media management service, to effortlessly store and organize diverse media content such as images, videos, and documents.
- For authentication and authorization, StudyNotion employs JWT (JSON Web Tokens), ensuring a secure and reliable mechanism for managing user credentials
- GitHub :- **LINK**

BetOnCode

- Our platform offers thrilling 1v1 coding combats, featuring entry fees and a winner-takesall model that levels the playing field for beginners and keeps seasoned players on the edge of their seats.
- Developed on the robust **MERN** stack - harnessing the power of **ReactJS**, **NodeJS**, **MongoDB**, and **ExpressJS**.
- Coders can also participate in rooms with an entry fees and winners will get the money from the prize pool.
- BetOnCode is equipped to handle a large influx of participants simultaneously, ensuring exceptional performance without compromise.
- GitHub :- **LINK**

AWARDS

- Winner of **Hackathon** held at Shiv Nadar University.
- Solved over 550+ Data Structures and Algorithms Problems on **Leetcode**.
- CodeChef Starters 36 Division 3 (Rated)-Rank **1950**.
- Secured a global rank under **4k** among 27k Participants in LeetCode Coding Contest.
- Secured a global rank under **7k** among 20k Participants in LeetCode Coding Contest.
- **Certificate**
Successfully completed the Full stack Development course with A+ grade.
