### Profile

---

As a deep admirer of Hollywood films, TV shows, and anime, I have had a fun experience creating original content about them since 2017 as a freelance writer. Prior to this, I worked as a full-time content writer for two years covering health, lifestyle, finance, and consumer technology.

### Skills

---

Ability to deeply analyze and observe tiny details in a film or series

Strong research skills to provide authentic news or reviews for the target audience

Ability to deliver the required writing style

Enhancing the writing pattern to match with the latest trends

Ability to incorporate SEO techniques to maximize reach

Proficient with MS Word, docs, classic and gutenber editors in WordPress

### Interests

---

- Highly enthusiastic about Hollywood movies (including fandom), TV shows and Anime of all kinds
- Debating and discussing stuff with like-minded people
- Keen on good storytelling
- Going on therapeutic and peaceful long drives

### Education

---

#### Bachelor's Degree

04/2016 – 03/2019

### Professional Experience

---

#### Content Writer, *Freelance*

06/2017 – 02/2020

Worked as a news and editorial writer on mainstream Hollywood films (including fandom), TV series, personal and public life of actors, and anime.

Lucknow, India

#### Content Writer, *Om Solutions*

05/2013 – 02/2015

Worked as a full-time content writer and covered health, lifestyle, finance, and consumer tech.

Lucknow, India
